Order Handling

ON-CAMPUS shipments and reservations:

Many items are not available until close to term start. Web orders will be processed with items in stock and those items not in stock will be "backordered". Backordered designated items have not been charged.

Once on campus, students can pick up "backordered" items from their order if available on the shelf and proceed to Customer Service to have item(s) charged.

Note: The credit card on the order will ONLY be available to charge or refund items listed on the web order.

Applicable to complete E-CAMPUS shipments ONLY

Send order when all items are in; do not send partial (only one freight charge) - keep in mind this may delay processing of your order

Call the textbook department at [1-800-595-0357](tel:1-800-595-0357) at any time if you would like to change your handling preferences.
